## **EPPING FOREST DISTRICT COUNCIL**

### **FREEDOM OF INFORMATION ACT 2000 - PUBLICATION SCHEME**

#### **GUIDE TO INFORMATION**

##### **Introduction**

The Freedom of Information Act 2000 provides a right of access to recorded information held by public authorities other than personal information (which is managed under the Data Protection Act 1998).

The Publication Scheme is a legal requirement under the Freedom of Information Act. It commits the Council to make information easily available to the public without the need for individuals to make a specific request.

The Scheme commits the Council:

- (a) to publish proactively or otherwise make available as a matter of routine, information, including environmental information, which is held by the Council and falls within the classifications below;
- (b) to specify the information which is held by the Council and falls within the classifications below;
- (c) to publish proactively or otherwise make available as a matter of routine, information in line with the statements contained within this scheme;
- (d) to produce and publish the methods by which the specific information is made routinely available so that it can be easily identified and accessed by members of the public;
- (e) to review and update on a regular basis the information the Council makes available under this scheme;
- (f) to produce a schedule of any fees charged for access to information which is made available proactively;
- (g) to make the publication scheme available to the public.

The publication scheme is not the route for enquiries about individual cases, claims or appeals. The Directorate dealing with the issue is the point of contact.

Many of the publications referred to in the publication scheme are available via the Council's website [www.eppingforestdc.gov.uk](http://www.eppingforestdc.gov.uk). They are also available in hard copy and details of how

to obtain copies are provided within each class. Most publications are free unless otherwise indicated.

There are circumstances under which the Council is not required to make information routinely available. These are when:

- (a) the information is not held;
- (b) the information is exempt from disclosure;
- (c) the Council cannot easily access the information.

If you cannot find what you are looking for within the scheme, contact Ian Willett, Assistant to the Chief Executive (01992 564243) or Graham Lunnun, Assistant Director Democratic Services (01992 564244) for more information. Information not specifically mentioned in the Scheme may still be available on request.

You have the right under the Freedom of Information Act 2000, subject to certain exemptions, to request information not covered in the scheme. Requests can be made by email to [foienquiries@eppingforestdc.gov.uk](mailto:foienquiries@eppingforestdc.gov.uk); by facsimile to 01992 564488; or by post to Freedom of Information Act Request, Office of the Chief Executive, Epping Forest District Council, Civic Offices, High Street, Epping, Essex CM16 4BZ - a request form is available on the Council's website
