Play in the Park is all about playing and having fun outdoors.

Play Rangers will bring along a wide range of equipment for children and young people to enjoy and will help organise games. Space hoppers, flying saucers, cricket, football, art and craft and endless fun!

Sessions are provided as play opportunities for children and young people and not as childcare.

All participants may come and go as they please. Staff are not obliged to prevent any child from leaving the session. Parents and carers are welcome to stay and join in.

Play in the Park is supported by your local parish/town council.
